In re Application of :  
TUSTANIWSKYJ, et al. : DECISION ON PETITION  
Application No. 10/780,417 :  
Filed: February 16, 2004 :  
Atty. Dkt. No.: 047589-0252 :

This is a decision on the petition under 37 CFR 1.137(f), filed June 15, 2006, to revive the above-identified application.

Petitioners state that the instant non-provisional application is the subject of an application filed February 3, 2005 in a foreign country, or under a multinational treaty, that requires publication of applications eighteen months after filing. Petitioners' further state that petitioners unintentionally failed to notify the Office of this filing within 45 days of the filing of the subject application in a foreign country.

Hence, the application became abandoned pursuant to 35 USC 122(b)(2)(B)(iii) and 37 CFR 1.213(c) for failure to timely notify the Office of the filing of an application in a foreign country, or under a multilateral international agreement that requires publication of applications 18 months after filing.

A grantable petition under 37 CFR 1.137(f) must be accompanied by: (1) the reply; (2) the petition fee; (3) a statement that the entire delay in filing the required reply from the due date of the reply until the filing of a grantable petition was unintentional; and (4) any terminal disclaimer (and fee as set forth in § 1.20(d)) required pursuant to 37 CFR 1.137(d).

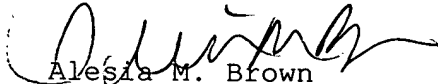

The instant petition has been reviewed and found to be in compliance with the provisions of 37 CFR 1.137(f). Accordingly, the failure to timely notify the Office of a foreign or international filing within 45 days after the date of filing of such foreign or international application as provided by 35 USC 122(b)(2)(B)(iii) and 37 CFR 1.213(c) is accepted as having been unintentionally delayed.

Enclosed please find a Notice regarding rescission.

Application No. 10/780,417

This application file is being forwarded to Technology Center 2800 for further processing.

Telephone inquiries concerning this matter may be directed to the undersigned at (571) 272-3205.

A handwritten signature in black ink, appearing to read 'Alesia M. Brown', is written over the printed name.

### Communication Regarding Rescission Of Nonpublication Request and/or Notice of Foreign Filing

Applicant's rescission of the previously-filed nonpublication request and/or notice of foreign filing is acknowledged. The paper has been reflected in the Patent and Trademark Office's (USPTO's) computer records so that the earliest possible projected publication date can be assigned.

The projected publication date is 11/30/2006.

If applicant rescinded the nonpublication request before or on the date of "foreign filing,"<sup>1</sup> then no notice of foreign filing is required.

If applicant foreign filed the application after filing the above application and before filing the rescission, and the rescission did not also include a notice of foreign filing, then a notice of foreign filing (not merely a rescission) is required to be filed within 45 days of the date of foreign filing. See 35 U.S.C. § 122(b)(2)(B)(iii), and Clarification of the United States Patent and Trademark Office's Interpretation of the Provisions of 35 U.S.C. § 122(b)(2)(B)(ii)-(iv), 1272 Off. Gaz. Pat. Office 22 (July 1, 2003).

If a notice of foreign filing is required and is not filed within 45 days of the date of foreign filing, then the application becomes abandoned pursuant to 35 U.S.C. § 122(b)(2)(B)(iii). In this situation, applicant should either file a petition to revive or notify the Office that the application is abandoned. See 37 CFR 1.137(f). Any such petition to revive will be forwarded to the Office of Petitions for a decision. Note that the filing of the petition will not operate to stay any period of reply that may be running against the application.

Questions regarding petitions to revive should be directed to the Office of Petitions at (571) 272-3282. Questions regarding publications of patent applications should be directed to the patent application publication hotline at (703) 605-4283 or by e-mail [pghub@uspto.gov](mailto:pghub@uspto.gov).

<sup>1</sup> Note, for purpose of this notice, that "foreign filing" means "filing an application directed to the same invention in another country, or under a multilateral international agreement, that requires publication of applications 18 months after filing".
